

The background of the image is a blurred photograph of a competition table. On the left, there is a silver tray with several small white bowls containing different colored liquids. In the center, a hand is holding a white paper with a grid, likely a judging sheet, which has a small red star on it. To the right, there is a white cup and a jar with a white lid that has 'SIP AWARDS' printed on it. The entire scene is overlaid with a semi-transparent white box containing the text.
